## LIVESTOCK MARKET IS GOOD IN N. PORTLAND

Hogs Are Advanced Sharply and Demand Is Good; Cattle Are Up and Position of Sheep Trade Is Showing Very Favorable.

(Courtesy of the Journal.)  
PORTLAND, Ore., July 27.—The livestock trade in general has been of excellent character at North Portland during the week. The bulk of the trade has been at favorable prices and the runs have been quite quickly absorbed.

Hogs showed a very sharp advance

**GREAT MASS OF PROOF.**

Reports of 30,000 Cases of Kidney Trouble, Some of Them Pendleton Cases.

Each of some 6000 newspapers of the United States is publishing from week to week, names of people in its particular neighborhood, who have used and recommended Doan's Kidney Pills for kidney backache, weak kidneys, bladder troubles and urinary disorders. This mass of proof includes over 30,000 recommendations. Pendleton is no exception. Here is one of the Pendleton cases:

J. D. Morrow, rancher and butcher, 517 Marie St., Pendleton, Ore., says: "I had pain in the small of my back for about three months. If I did any work that obliged me to stoop, sharp twinges darted through my back, just over my right kidney. The kidney action was very irregular and the kidney secretions pained when passing. A friend told me to take Doan's Kidney Pills and one box removed all these troubles."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Morrow had. Foster-Milburn Co., Props., Buffalo, N. Y.

during the week, values being fully 25 cents better than a week ago and the outlook at the closing is for sustained prices. Naturally the trend of the eastern trade will have much to do with the price opinions of local interests, especially if the former is toward a lower mark. Late in the week there was considerable weakness at points east of the Rockies for swine and prices ruled lower. Whether recovery will be made during the coming week, depends almost entirely upon how well the wants of the trade are filled.

General hog market range:  
Best light, 200 lbs. .... \$ 9.90  
Medium ..... 8.50  
Fat pigs ..... 7.50 @ 8.00

**Cattle Position Better.**  
Fully 50c has been recovered in the cattle market from the extreme low price that has recently been ruled at North Portland. With a smaller marketing of cattle, there has appeared to be more willingness among killers to take hold and for that reason prices have been easily advanced. There seems to have been a dearth of real good cattle on the North Portland market recently. Such extreme values have been ruling in the eastern trade that shipments from the interior, if of top quality, are not being sent in this direction.

Eastern markets for cattle were generally steady during the week although at times a trace of weakness has been shown. However, in view of the extreme values that have been ruling there, this may be expected.

General cattle market range:  
Select steers ..... 7.25  
Good to prime ..... 6.85 @ 7.00  
Good to choice ..... 6.50 @ 6.75  
Ordinary to fair ..... 6.50  
Fancy cows ..... 6.00  
Good to prime ..... 5.60 @ 5.75  
Ordinary ..... 5.50  
Select calves ..... 5.50  
Heavy ..... 7.50  
Fancy bulls ..... 4.50  
Ordinary ..... 4.00 @ 4.25

**Mutton of Quality Scarce.**  
Scarcity of mutton of quality has been noted in the North Portland market recently. Runs have been somewhat smaller than expected. Bulk of the arrivals have been from Willamette valley points and few of these have been of suitable quality to fetch extreme values.

Toward the closing of the week some better stuff was available from the Columbia river section and lambs again sold at 14c for tops.

While prices continue rather extreme, there was a showing of weakness for mutton generally in the eastern trade during the week. Quite liberal supplies of coast stuff is now en route to the eastern yards.

General mutton range:  
Best shorn yearlings ..... 4.75  
Shorn wethers ..... 4.40 @ 4.50  
Best shorn ewes ..... 4.00 @ 4.25  
Best E. mountain lambs ..... 6.00  
Valley light spring lambs ..... 5.65 @ 5.75  
Heavy spring lambs ..... 5.60 @ 5.50

## WHEAT IMPROVES IN THE CHICAGO MARKET

Chicago and Foreign Markets Advance Sharply for Options During the Week.

CHICAGO, July 27.—All through the week there was a noticeable improvement in the trend of the wheat trade at world's centers. The improvement, abroad, caused by the smaller crop prospects and the forecasts of greater imports by Europe from America, caused general short covering here and late in the week prices responded quickly to this condition.

Latest crop advices from the home territory were somewhat less favorable and the general presumption of the trade is that the crop will be somewhat less than forecast in the recent government report.

Foreign markets were generally firmer and higher at the closing.

**Wheat.**

July—Open, 82; high 84 3-4; low, 83; close, 84.

Sept.—Open 82 1-4; high, 82 3-4; low, 82 1-4; close, 82 7-8.

Dec.—Open 84 7-8; high, 86 3-4; low, 84 7-8; close, 85 3-8.

**Expect Activity in Wool.**

BOSTON, July 27.—The local wool market is duller so far as actual sales are concerned, but buyers are doing much sampling which it is believed will result in considerable business. The mills, especially those manufacturing worsteds, are busy, and it is believed that the prices on domestic light weight goods are low enough effectually to shut out foreign competition. In view of the strength of foreign markets there is little likelihood that domestic wools will be any cheaper and dealers are holding firm although the movement of wool to this market is extremely heavy.

A good every day business is being done in territory wools and has been the case since the opening of the season. Most of the business is in original bags.

There is little activity in scoured wools and in pulled wools the offerings are unusually light. A sale of 35,000 pounds of Ohio three-eight blood combing wool has been the only important business of the week in fleeces, though here, too, there is a great deal of sampling.

**Cured of Indigestion.**  
Mrs. Sadie P. Clawson, Indiana, Pa., was bothered with indigestion. My stomach pained me night and day," she writes. "I would feel bloated and have headache and belching after eating. I also suffered from constipation. My daughter had used Chamberlain's Tablets and they did her so much good that she gave me a few doses of them and insisted upon my trying them. They helped me as nothing else has done." For sale by all dealers.—Adv.

## ALL EUROPE IS TURNING TO AMERICA FOR WHEAT

UNITED STATES ONLY COUNTRY WITH A SURPLUS TO SELL.

CHICAGO, July 27.—The United States is the only large wheat producing country that has a surplus for export this year, and the European crop shows a deficit of 269,000,000 bushels as compared with last year.

Foreigners recognize this and have been enormous buyers of cash wheat on futures. A Kansas City authority is quoted as saying 25,000,000 bushels have been sold from there to go out by way of the gulf this year. The actual export business at all markets and in all positions is enormous and extends up to January, and is the largest known in years, and should it all, clear it will tax the transportation facilities to the limit.

War news, a large deficit in the European crop as compared with last year, and deterioration in the Spring wheat prospects in the American and Canadian Northwest and in Russia, are the bullish factors. The estimated shortage of 269,000,000 bushels in Europe, Russia and Canada has been confirmed in many details by the United States department of agriculture.

**Western Amateur Golf.**  
GRAND RAPIDS, Mich., July 27.—The Western Amateur Golf Championship tournament opened on the Kent country club course here today with an eliminating round of 18 holes. The lowest thirty-two score in this event will qualify for the first match which will be played the same afternoon. The second and third matches, the semi-finals and finals will be played at 26 holes on succeeding days. The winner will receive a gold medal and his club will be awarded possession of the George B. Thorne trophy for one year.

**Deafness Cannot Be Cured**  
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular, free.
